PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

April 29, 2014

SOLICITATION AND REVOCATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Capital Properties, Inc. (the "Company"), in connection with the annual meeting of shareholders to be held April 29, 2014. The Company will bear the cost of such solicitation. It is expected that the solicitation of proxies will be primarily by mail. Proxies may also be solicited personally by regular employees of the Company at nominal cost. The Company may reimburse brokerage houses and other custodians, nominees and fiduciaries holding stock for others in their names, or in those of their nominees, for their reasonable out-of-pocket expenses in sending proxy materials to their principals or beneficial owners and obtaining their proxies. Any shareholder giving a proxy has the power to revoke it at any time prior to its exercise, by (i) filing a written revocation of the proxy with the Secretary of the Company, (ii) submitting a signed proxy card bearing a later date or (iii) attending and voting in person at the meeting provided the shareholder is the holder of record of the underlying shares and a written revocation of the shareholder's grant of proxy has been filed with the Secretary of the Company. Notice of revocation may be delivered in writing to the Secretary at Capital Properties, Inc., 100 Dexter Road, East Providence, Rhode Island 02914, Attn: Secretary. Every properly signed proxy will be voted in accordance with the specifications made thereon.

This proxy statement and the accompanying proxy are expected to be first sent to shareholders on or about March 14, 2014.

VOTING AT MEETING

Only shareholders of record at the close of business on March 3, 2014, will be entitled to vote at the meeting. Under the Company's Restated Articles of Incorporation, the holders of the Company's Class A Common Stock are entitled to one vote for each share held. On the record date, there were 6,599,912 shares of Class A Common Stock outstanding. There were no other outstanding securities of the Company entitled to vote.

Shares represented by proxies which are marked "withhold authority" with respect to the election of any particular nominee for director, or to deny discretionary authority on any other matters will be counted as shares present and entitled to vote, and accordingly any such marking of a proxy will have the same effect as a vote against the proposal to which it relates. Brokers who hold shares in street name lack authority to vote such shares for the election of directors, absent specific instructions from their customers. Shares subject to such "broker non-votes" will not be treated as shares entitled to vote on the matters to which they relate and therefore will be treated as not present at the meeting for those purposes, but otherwise will have no effect on the outcome of the voting on such matters. Accordingly,

shareholders are encouraged to provide instructions to their brokers regarding the voting of their shares.

ELECTION OF DIRECTORS

At the annual meeting, five directors are to be elected to hold office until the next annual meeting and until their respective successors are elected and qualified. The proxies named in the accompanying proxy, who have been designated by the Board of Directors, intend to vote, unless otherwise instructed, for the election to the Board of Directors of the persons named below who are now directors of the Company. Mr. Matthew C. Baum, who had been a director of the Company since 2009, resigned in 2013 for personal reasons. The Board of Directors has determined that the number of directors shall be five. Certain information concerning such nominees is set forth below:

<u>Director Name and Age</u>	<u>Since</u>	<u>Principal Occupation During Past Five Years</u>
Alfred J. Corso (77)	2005	Consultant, 2001 to present
Robert H. Eder (81)	1995	President of the Company since January 1, 2008; Chairman of the Company, 1995 to present; Chairman, Providence and Worcester Railroad Company, 1988 to present
Harris N. Rosen (81)	2001	Consultant and Mediator, 2001 to present
Craig M. Scott (50)	2011	Attorney, Scott & Bush, Ltd., 2009 to present; Attorney, Duffy, Sweeney & Scott, 1998-2009 Director, Providence and Worcester Railroad Company, 2004 to 2011
Todd D. Turcotte (42)	2008	Vice President of the Company and President of Capital Terminal Company since January 1, 2008; Principal, RT Group, Inc., 2002-2007

Mr. Eder is also a director of Providence and Worcester Railroad Company.

The Board of Directors has reviewed the relationship that each director and nominee for director, which includes each of the nominees standing for election at the 2014 annual meeting, has with the Company and determined that all directors and nominees for director, other than Robert H. Eder and Todd D. Turcotte, are independent as defined under the NASDAQ listing standards.

The Board of Directors does not have a policy with respect to diversity and does not specifically consider issues of diversity, such as gender, race, origin, or sex when determining whether to nominate a person to be a director of the Company. When considering whether directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of the Company's business and structure, the Board of Directors focuses primarily on each director's and nominee's individual background and

experience as it relates to the Company's business. Historically, when vacancies have occurred, each director has been requested to suggest potential nominees and each potential nominee is vetted with the entire Board.

In particular, with regard to Mr. Corso, the Board of Directors considered his training, work experience as a partner of Ernst & Young and his service as a controller of a publicly-held corporation which activities qualify him as a financial expert. With regard to Mr. Eder, the Board of Directors considered that he is the Company's founder, he has been actively involved with the Company or its predecessors since 1966 and is the majority shareholder. With regard to Mr. Rosen, the Board of Directors considered his history as the owner of his own business and his substantial community contacts which the Board believes assists in assessing the Company's role in the community and furthering its community contacts and relationships. With regard to Mr. Scott, the Board of Directors considered Mr. Scott's experience as a trial lawyer in the area of complex business litigation. The Board noted that Mr. Scott has on occasion served as counsel to the Company and as lead trial counsel for various business clients in a variety of industries in the federal courts throughout the country and internationally. The Board concluded that his experience as a commercial litigator as well as his community involvement would be of assistance to the Company in assessing business and legal controversies that might arise with various tenants under the Company's long and short term leases. With regard to Mr. Turcotte, the Board of Directors considered his strong background in engineering and insights as Vice President of the Company and President of Capital Terminal Company.

Communications with the Board of Directors

The Board of Directors has established a process for shareholders to communicate with members of the board. If you have any concern, question or complaint regarding our compliance with any policy or law, or would otherwise like to contact the Board of Directors, you may reach the Company's Board of Directors by writing directly to those individuals c/o Capital Properties, Inc., 100 Dexter Road, East Providence, Rhode Island 02914.

Any inquiries received will not be screened by the Company and will be forwarded directly to the director to which such inquiry is addressed, unless it is believed that a particular inquiry may pose a security risk. The Board of Directors sits as a committee of the whole to address any inquiries made by shareholders.

Board Leadership Structure

Robert H. Eder serves as both the President and the Chairman of the Board of the Company. The Board of Directors believes that the Company's Chief Executive Officer is best situated to serve as Chairman because he is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings Company-specific experience and expertise. The Board of Directors believes that the combined role of Chairman and Chief Executive Officer promotes strategy development and execution and facilitates information flow between management and the Board, which are essential to effective governance.

One of the key responsibilities of the Board of Directors is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board

of Directors believes the combined role of Chairman and Chief Executive Officer is in the best interest of shareholders because it provides the appropriate balance between strategy development and independent oversight of management.

Committees of the Board of Directors

The Board of Directors has an Audit Committee and a Compensation Committee, both of which are currently comprised of Messrs. Corso, Rosen and Scott, each of whom is independent as defined under applicable rules of the Securities and Exchange Commission (“SEC”) and NASDAQ listing requirements.¹ Each of the Audit and Compensation Committees has a written charter approved by the Board of Directors. Pursuant to Rule 402 of Regulation S-K, a copy of the Audit Committee Charter, which was amended January 28, 2014, is attached hereto as Appendix A.

The Audit Committee is responsible for overseeing the establishment and maintenance of an effective financial control environment for the Company, for establishing procedures for evaluating the system of internal accounting control and for evaluating audit performance.

The Board of Directors has determined that the members of the Audit Committee satisfy the financial literacy requirements of the NASDAQ listing standards and are independent as defined under the NASDAQ listing requirements and applicable rules of the SEC. Additionally, the Board of Directors has determined that Mr. Corso qualifies as an “audit committee financial expert” as defined by the SEC rules.

The Compensation Committee assists the Board of Directors in discharging the Board’s responsibilities relating to director and executive compensation. The Compensation Committee’s responsibilities include establishing and reviewing the Company’s executive and director compensation philosophy, strategies, plans and policies, and evaluating the performance and determining the compensation of the Chairman and Chief Executive Officer (“CEO”) of the Company and advising and assisting the CEO in formulating and implementing programs to facilitate the selection and development of other key managers. The Compensation Committee also reviews and approves the compensation of other executive officers of the Company.

The Company does not maintain a nominating committee or a committee performing a similar function due to the fact that Mr. Eder owns a controlling interest in the Company. The Board of Directors sits as a committee of the whole to consider any recommendations made by shareholders and/or other directors of persons to be directors of the Company. In determining whether to nominate any such person for election by the shareholders, the Board of Directors considers the experience of such person as it relates to the business of the Company, together with such person’s age, reputation and ability to carry out the requirements to serve as a director of the Company. The Board of Directors does not have a policy with respect to diversity and does not specifically consider issues of diversity, such as gender, race, origin or sex when determining whether to nominate a person to be a director of the Company.

¹ On December 11, 2008, the Company delisted from the AMEX and listed its shares of Class A Common Stock for trading on the OTCQX. For purposes of determining the independence of directors and members of the Audit Committee, however, the Board of Directors determined to use the applicable independence standards as defined under the NASDAQ listing requirements.

During the fiscal year ended December 31, 2013, the Board of Directors held six meetings, the Audit Committee held four meetings and the Compensation Committee held one meeting. All directors attended every meeting of the Board of Directors and meetings of committees on which such director serves. The independent directors held one meeting. The Board of Directors has adopted a policy that requires members of the Board of Directors to make every effort to attend each annual shareholders meeting. All then current members of the Board of Directors attended the 2013 annual shareholders meeting.

Risk Management

The Board of Directors has an active role, as a whole and also at the Audit Committee level, in overseeing management of the Company's risks. The Board of Directors regularly meets with management and reviews information regarding the Company's overall risks. The Audit Committee oversees management of financial and operational risks and oversees management of risks associated with regulatory, environmental, health and safety. The Board of Directors does not believe there is any high degree of risk associated with its compensation practices as the Company does not provide for any incentive-based compensation other than infrequent cash bonuses which have only been paid in connection with extraordinary events. Furthermore, salary increases for employees of the Company are based primarily on increases in the cost of living.

Compensation of Directors

The Board of Directors, upon recommendation of the Compensation Committee, is responsible for determining compensation of the directors. Directors, other than directors who are employed by the Company, received a fee for attendance at each meeting of the Board of Directors, together with related transportation and living expenses. During the 2013 fiscal year, outside directors received an annual retainer fee of \$12,000 payable in quarterly installments and fees per meeting as follows: Board, \$1,000; Audit Committee, \$750 and Compensation Committee, \$500. The maximum fees payable for attendance at Board and committee meetings occurring on the same day is \$1,500. These rates were established in 2005 based on the recommendations of Effective Pay Practices, a compensation consultant retained by the Compensation Committee.

The following Director Compensation table provides information regarding the compensation paid or accrued by each director during the 2013 fiscal year.

Corporate Governance

The Board of Directors is committed to ethical business practices and believes that strong corporate governance is important to ensure that the Company is managed for the long-term benefit of its shareholders. The Company regularly monitors developments in the area of

corporate governance and has implemented a number of best practices, including the following:

Code of Ethics. The Company has adopted a Code of Ethics applicable to all directors, officers and employees, which meets the requirements of a “code of ethics” as defined in Item 406 of Regulation S-K.

AUDIT COMMITTEE REPORT

Management is responsible for the Company's internal controls and financial reporting process. The independent registered public accountants are responsible for performing an audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has sole authority to select, evaluate and when appropriate, to replace the Company's independent registered public accountants. Additionally, and as appropriate, the Audit Committee reviews and evaluates, and discusses and consults with the Company's management and independent registered public accountants regarding the scope of the audit plan, the results of the audit, the Company's financial statement disclosure documents, the adequacy and effectiveness of the Company's accounting and financial controls and changes in accounting principles.

In connection with these responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements with management and the Company's independent registered public accountants, LGC&D LLP. The Audit Committee also discussed with such firm the matters required by the PCAOB Auditing Standard No. 16. The Audit Committee received from LGC&D LLP written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1, wherein LGC&D LLP confirmed its independence within the meaning of the SEC and Independence Standards Board Rules and disclosed the fees charged for professional services in the fiscal year ended December 31, 2013. The Audit Committee discussed this information with LGC&D LLP and also considered the compatibility of non-audit services provided by such firm with its independence. Based on the review of the audited consolidated financial statements and these various discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K, to be filed with the SEC.

Audit Committee: Alfred J. Corso (Chair), Harris N. Rosen and Craig M. Scott.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS
