PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

APRIL 24, 2024

SOLICITATION AND REVOCATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Capital Properties, Inc. (the “Company”), in connection with the annual meeting of shareholders to be held April 24, 2024. The Company will bear the cost of such solicitation. It is expected that the solicitation of proxies will be primarily by mail. Proxies may also be solicited personally by regular employees of the Company at nominal cost. The Company may reimburse brokerage houses and other custodians, nominees and fiduciaries holding stock for others in their names, or in those of their nominees, for their reasonable out-of-pocket expenses in sending proxy materials to their principals or beneficial owners and obtaining their proxies. Any shareholder giving a proxy has the power to revoke it at any time prior to its exercise, by (i) filing a written revocation of the proxy with the Secretary of the Company or, (ii) submitting a signed proxy card bearing a later date or, (iii) attending and voting in person at the meeting provided the shareholder is the holder of record of the underlying shares and a written revocation of the shareholder's grant of proxy has been filed with the Secretary of the Company. Notice of revocation may be delivered in writing to the Secretary at Capital Properties, Inc., 5 Steeple Street, Unit 303, Providence, Rhode Island 02903, Attn: Secretary. Every properly signed proxy will be voted in accordance with the specifications made thereon.

This Proxy Statement and the accompanying proxy are expected to be first sent to shareholders on or about March 15, 2024.

VOTING AT MEETING

Only shareholders of record at the close of business on March 1, 2024, will be entitled to vote at the meeting. Under the Company's Restated Articles of Incorporation, the holders of the Company's Class A Common Stock are entitled to one vote for each share held. On the record date, there were 6,599,912 shares of Class A Common Stock outstanding. There were no other outstanding securities of the Company entitled to vote.

To be elected as a director, a nominee must receive the affirmative vote of a plurality of the votes cast. Under the plurality voting standard, the nominees receiving the most “for” votes will be elected. A proxy card marked as withholding authority with respect to the election of one or more directors will be counted for quorum purposes.

Shares represented by proxies which are marked “withhold authority” with respect to the election of any particular nominee for director, or to deny discretionary authority on any other matter will be counted as shares present and entitled to vote, and accordingly any such marking of a proxy will have the same effect as a vote against the proposal to which it relates. Brokers who hold shares in street name lack authority to vote such shares for the election of directors and certain other “non-discretionary” matters, absent specific instructions from their customers. Shares subject to such “broker non-votes” will not be treated as shares entitled to vote on the matters to which they relate and therefore will be treated as not present at the meeting for those purposes, but otherwise will have no effect on the outcome of the voting on such matters.

PROPOSAL NO.1

ELECTION OF DIRECTORS

At the annual meeting, three directors are to be elected to hold office until the next annual meeting and until their respective successors are elected and qualified. The proxies named in the accompanying proxy, who have been designated by the Board, intend to vote, unless otherwise instructed, for the election to the Board of the persons named below, all of whom are now directors of the Company. Certain information concerning such nominees is set forth below:

Director			Principal Occupation During Past Five Years
Name	Age	Since	
Robert H. Eder	91	1995	Chairman and Chief Executive Officer of the Company, 1995 to present; President of the Company 2008 to April 2017 and October 2018 to present; Chairman, Providence and Worcester Railroad Company, 1988 to November 2016
Daniel T. Noreck	52	2021	Chief Financial Officer and Treasurer of TechTarget, Inc. since December 2016; Chief Financial Officer and Treasurer of Providence and Worcester Railroad Company from September 2010 to December 2016; Senior Audit Manager at Lefkowitz, Garfinkel, Champi & DeRienzo, P.C. in Providence, RI from July 2003 to September 2010.
Steven G. Triedman	65	2015	President and Owner of Lawrence & Brooks

The Board has reviewed the relationship that each director, including each director who served during 2023, and nominee for director, which includes each of the nominees standing for election at the 2024 annual meeting, and has determined that all such directors and nominees for director, other than Robert H. Eder, are independent as defined under the NASDAQ listing standards.

The Board does not have a policy with respect to diversity and does not specifically consider issues of diversity, such as gender, race, origin, or sex when determining whether to nominate a person to be a director of the Company. When considering whether directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board to satisfy its oversight responsibilities effectively in light of the Company's business and structure, the Board focuses primarily on each director's and nominee's individual background and experience as it relates to the Company's business. Historically, when vacancies have occurred, each director has been requested to suggest potential nominees and each potential nominee is vetted with the entire Board.

In particular, with regard to Mr. Noreck, the Board considers his designation as a certified public accountant and a chartered global management accountant, work experience as Chief Financial Officer and Treasurer of publicly-held corporations and as a senior manager at Lefkowitz, Garfinkel, Champi & DeRienzo, P.C. as activities that qualify him as a financial expert. With regard to Mr. Eder, the Board considered that he is the Company's founder, he has been actively involved with the Company or its predecessors since 1966 and is the majority shareholder. With regard to Mr. Triedman, the Board considered his experience as a business owner and contacts within the community in which the Company operates.

Recommendation of the Board of Directors	The Board of Directors recommends that shareholders vote FOR approval of the three (3) director nominees set forth above.

Communications with the Board of Directors

The Board has established a process for shareholders to communicate with members of the Board. If you have any concern, question or complaint regarding our compliance with any policy or law, or would otherwise like to contact the Board, you may reach our directors by writing directly to those individuals c/o Capital Properties, Inc., 5 Steeple Street, Unit 303, Providence, Rhode Island 02903.

Any inquiries received will not be screened by the Company and will be forwarded directly to the director to which such inquiry is addressed, unless it is believed that a particular inquiry may pose a security risk. The Board sits as a committee of the whole to address any inquiries made by shareholders.

Board Leadership Structure

Robert H. Eder serves as the Chairman of the Board of the Company and is the Company's chief executive officer and President. The Board believes that the Company's chief executive officer is best situated to serve as Chairman because he is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the Company and industry, while the chief executive officer brings Company-specific experience and expertise. The Board believes that the combined role of Chairman and chief executive officer promotes strategy development and execution and facilitates information flow between management and the Board, which are essential to effective governance.

One of the key responsibilities of the Board is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board believes the combined role of Chairman and chief executive officer is in the best interest of shareholders because it provides the appropriate balance between strategy, development and independent oversight of management.

Committees of the Board of Directors

The Board has an Audit Committee and a Compensation Committee, both of which are currently comprised of Messrs. Noreck and Triedman, each of whom is independent as defined under applicable rules of the Securities and Exchange Commission ("SEC") and NASDAQ listing requirements.¹ Each of the Audit and Compensation Committees has a written charter approved by the Board. Mr. Noreck chairs the Audit Committee and Mr. Triedman chairs the Compensation Committee.

The Audit Committee is responsible for overseeing the establishment and maintenance of an effective financial control environment for the Company, for establishing procedures for evaluating the system of internal accounting control, for evaluating audit performance and for overseeing cybersecurity matters. The Board has determined that the members of the Audit Committee satisfy the financial literacy requirements of the NASDAQ listing standards and are independent as defined under the NASDAQ listing requirements and applicable rules of the SEC. Additionally, the Board has determined that Mr. Noreck qualifies as an "audit committee financial expert" as defined by the SEC rules.

The Compensation Committee assists the Board in discharging the Board's responsibilities relating to director and executive compensation. The Compensation Committee's responsibilities include establishing and reviewing the Company's executive and director compensation philosophy, strategies, plans and policies, and evaluating the performance and determining the compensation of the Chairman and Chief Executive Officer ("CEO") of the Company and advising and assisting the CEO in formulating and implementing programs to facilitate the selection and development of other key managers. The Compensation Committee also reviews and approves the compensation of other executive officers of the Company.

¹ The Company's Class A Common Stock is traded on the OTCQX. For purposes of determining the independence of directors and members of the Audit Committee, however, the Board has determined to use the applicable independence standards as defined under the NASDAQ listing requirements.

The Company does not maintain a nominating committee or a committee performing a similar function since Mr. Eder owns a controlling interest in the Company. The Board sits as a committee of the whole to consider any recommendations made by shareholders and/or other directors of persons to be directors of the Company. In determining whether to nominate any such person for election by the shareholders, the Board considers the experience of such person as it relates to the business of the Company, together with such person's age, reputation and ability to carry out the requirements to serve as a director of the Company. The Board does not have a policy with respect to diversity and does not specifically consider issues of diversity, such as gender, race, origin or sex when determining whether to nominate a person to be a director of the Company.

During the fiscal year ended December 31, 2023, the Board held four meetings, the Audit Committee held five meetings and the Compensation Committee held one meeting. All directors attended every meeting of the Board and meetings of Committees on which such director serves. The Board has adopted a policy that requires members of the Board to make every effort to attend each annual shareholders' meeting. All then current members of the Board participated in the 2023 annual shareholders meeting.

Risk Management

The Board has an active role, as a whole and also at the Audit Committee level, in overseeing management of the Company's risks. The Board regularly meets with management and reviews information regarding the Company's overall risks. The Audit Committee oversees management of financial, operational and cybersecurity risks and also oversees management of risks associated with regulatory, environmental, health and safety matters. The Board does not believe there is any high degree of risk associated with its compensation practices as the Company does not provide for any incentive-based compensation other than infrequent cash bonuses which have only been paid in connection with extraordinary events. Furthermore, salary increases for employees of the Company are based primarily on increases in the cost of living.

Compensation of Directors

The Board, upon recommendation of the Compensation Committee, is responsible for determining compensation of the directors. Directors, other than directors who are employed by the Company, received a fee for attendance at each meeting of the Board, together with related transportation and living expenses. During 2023, outside directors received an annual retainer fee of \$15,000, payable in quarterly installments and fees per meeting as follows: Board: \$1,000; Audit Committee: \$750 and Compensation Committee: \$500. The maximum fees payable for attendance at Board and committee meetings occurring on the same day is \$1,500. At its January meeting, acting on the recommendation of the Compensation Committee, the Board of Directors increased the annual retainer to \$18,000.

The following Director Compensation table provides information regarding the compensation paid or accrued by each director during the 2023 fiscal year.

The Company regularly monitors developments in the area of corporate governance and has implemented a number of best practices, including the following:

Code of Ethics. The Company has adopted a Code of Ethics applicable to all directors, officers and employees, which meets the requirements of a "code of ethics" as defined in Item 406 of Regulation S-K.

Procedures for the Receipt, Retention and Handling of Complaints. The Company maintains procedures for the confidential, anonymous submission by employees of any complaints or concerns about the Company, including complaints regarding accounting, internal accounting controls or auditing matters.

TRANSACTIONS WITH MANAGEMENT

Potential conflicts of interest and related party transactions are referred by the Board to the Audit Committee for review and approval. In reviewing and evaluating potential conflicts of interest and related party transactions, the Audit Committee uses applicable SEC rules as a guide.

EXECUTIVE COMPENSATION

During 2010, the Compensation Committee engaged Effective Pay Practices of Gloucester, Massachusetts to update its prior study on executive compensation and established salary levels for the Company's executive officers based upon that study, effective January 1, 2011.

The Committee reviews executive salaries from time to time and approved a cost-of-living adjustment of 6% for each of the CEO and the Treasurer effective January 1, 2023 based on the previous year's increase in the Consumer Price Index.

The following table summarizes the compensation paid or accrued by the Company during the twelve-month period ended December 31, 2023, to the Chairman, CEO and President, and the only other executive officer who earned more than \$100,000 in total compensation in 2023.

Contributions by the Company under the Company's SEP are fully vested when made. Each employee directs the investment of amounts in his or her SEP account. The Company does not have any employment agreements and has no severance or change of control arrangements with any of its executive officers.

AUDIT COMMITTEE REPORT

Management is responsible for the Company's internal controls, financial reporting process and cybersecurity matters. The independent registered public accountants are responsible for performing an audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has sole authority to select, evaluate and when appropriate, to replace the Company's independent registered public accountants. Additionally, and as appropriate, the Audit Committee reviews and evaluates, and discusses and consults with the Company's management and independent registered public accountants regarding the scope of the audit plan, the results of the audit, the Company's financial statement disclosure documents, critical accounting matters, the adequacy and effectiveness of the Company's accounting and financial controls and changes in accounting principles.

The Audit Committee reviewed and discussed the audited consolidated financial statements with management and the Company's independent registered public accountants, Stowe & Degon, LLC ("Stowe & Degon"). The Audit Committee also discussed with such firm the matters required by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") and the SEC. The Audit Committee received from Stowe & Degon written disclosures and the letter regarding its independence as required by the applicable requirements of the PCAOB, wherein Stowe & Degon confirmed its independence within the meaning of the SEC and applicable PCAOB rules and disclosed the fees charged for professional services in the fiscal year ended December 31, 2023. The Audit Committee discussed this information with Stowe & Degon and also considered the compatibility of non-audit services provided by such firm with its independence. Based on the review of the audited consolidated financial statements and these various discussions, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K, to be filed with the SEC.

Audit Committee: Daniel T. Noreck (Chair) and Steven G. Triedman.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has sole authority to engage, manage and discharge the Company's independent registered public accountants. The Committee engaged Stowe & Degon for fiscal year 2023.
